Christmas Shipping Deadlines

**These dates are to serve as a guide. We cannot guarantee delivery before a specific date, as that is determined by the carrier.*

We at Adirondack Winery do our best to ship out orders on the same business day; however, our policy is that we will ship your order within 3 business days (Mon-Fri) from when we receive it. Please see the above map for this years shipping deadlines. Order must be placed BEFORE 12PM that day.

Once the package leaves our facility, we rely on FedEx and UPS to deliver the order in a timely fashion, but we cannot control delays with their drivers and facilities, or delays caused by weather.

*We have recently heard from several customers that they have been experiencing delays on their shipments. These are pickup and transit delays by FedEx or UPS and unfortunately out of our control. We will continue to do our best to get your package prepared as timely as possible!

We STRONGLY encourage you to place your order as soon as possible to avoid any such delays that would keep you from getting your wine in time for the holidays. The map above acts as a guide for the last day to order in time for Christmas - please order before 12pm on the following dates associated with the state you are shipping to. This is NOT guaranteed.
